Thank you for providing entertainment at our recent 2010 Christmas Party on December 4, 2010. We were extremely happy in 2009 when you provided entertainment for us at Halo Restaurant and Wine Bar. However, I thought Quicksilver only worked with Halo, so I did not bother to call you initially for our 2010 Party. Thank you for the follow up or we would have had a very hard time finding someone!

Secondly, you pulled a few rabbits out of your hat with the very short notice we gave. Again, thank you!

Thirdly, after overcoming several scheduling challenges, you came up with a stellar performer. She fit in beautifully.

Fourthly, you communicated with us through the whole ordeal – this helps make us all a little less crazy – when there is ongoing communication! Double-thanks.

As for pianist Lynn Walker, she played beautifully; the background music was very fitting for our crowd and activities. In fact, I had requested a song at the end of the night and we had a laugh when I found she had already played it 3 times! It was very low key, but helped to set the mood and the tone for the evening.

Excellent job! Thank you. We will be in contact for our 2011 party!
