Jackie & Justin Muller

Calgary, Alberta

Dear Client,

My husband Justin and I got married in August of 2010. Eric Fairlie was our DJ. He did a fantastic job! I kept getting compliments on the entertainment. Everytime I looked up, there were people dancing on the dance floor. Eric kept up the energy of the party. He also provided entertainment before the dinner, which my guests really enjoyed. The music selection was perfect. There was a good variety of old and new for all ages of the wedding guests. If you are looking for a DJ, look no farther - Eric is your man!

Yours truly,
Jackie Muller
