RE: QUICKSILVER ENTERTAINMENT

To Whom It May Concern

On behalf of Meskanahk Ka Nipa Wit School the staff and students, would like to take this opportunity to inform you of your wonderful, amazing performance we had in October. The magician 'Acetrife' was very entertaining and the children thoroughly enjoyed his humour as well as the magic he created.

There were roars of laughter coming from the crowd of 4-14 year old Students. Their eyes were filled with anticipation waiting to see what would occur next. There was not a child without a smile. I even noticed the teachers enjoying themselves! 'Acetrife' really know how to capture the attention of his audience. Both the students and the teachers were complimentary of there performance and are clearly looking forward to a return visit.

The next day, in the hallway at Meskanahk Ka Nipa Wit School I could see from my desk, the students trying their tricks on their friends, I look forward to future performances by Quicksilver Entertainment 'Acetrife'.

Yes, we would consider their professional magician 'Acetrife' for our future functions.

Thank you once again to 'Acetrife' (Matthew), Eric, Dylan and all the staff at Quicksilver entertainment.

Sincerely

Denise Standing On The Road
Secretary/Office Manager of
Meskanahk Ka Nipa Wit School

"Where community, education and culture meet."
