

Thank You!

ATTN: Eric Fairlie
Quicksilver Entertainment

I would like to take this opportunity to thank you for sponsoring the play4kids event in August. It was a great success with more than 35 kids playing soccer and an additional 12 teams of adults playing bocce ball.

We were able to raise \$1205 (net) plus an additional \$600 from Macquarie Bank's matching program. It was also a rewarding moment to be able to fill the Hospital Foundation's almost empty toy closet with the more than 50 toys that the participants donated.

Without your sponsorship, the event could not have been nearly as successful. I truly hope you are aware of how significant your donation of entertainment and your time was and I hope that you participate again next year.

Thank you

Krista
