Dear Mr. Fairlie,

On behalf of my team, I would like to express our appreciation for your generosity in support of our team's participation in the 2010 Enbridge Ride to Conquer Cancer. We sincerely thank you for taking the time out of your busy schedule to provide us with such fantastic entertainment at our fundraiser barbeque on June 12, 2010. Your amazing performance helped to make our event a huge success by not only keeping our customers entertained, but also by drawing in many more people than expected.

With your generous help, the barbeque raised over \$600, adding to our overall fundraising total of just over \$8000. All funds raised are benefitting the Alberta Cancer Foundation in support of cancer research, treatment and screening, so you are truly helping to make a difference in people's lives.

Thank you once again for your kindness and generous donation of your time! Your support means a lot to us!

Sincerely,

Patrycja Mazur
