Re:	Startec 2010 Christmas party

Dear Eric:

Startec Refrigeration Services Ltd. Social Committee is pleased to thank you for another great performance selection for our 2010 Christmas party. We gave you a budget along with the date and left it to you to select the right entertainment.

The selection was absolutely great again this year just like last year! After speaking with numerous party goers they were all impressed with HOJA and their performance. They really liked their ability to get some of the crowd into the performance itself.

So once again I thank you for a very memorable evening due to your expertise in selecting entertainment. We look forward to having you organize the entertainment next year!

If you have anyone that would like a reference you may have them call me at the number listed below.

Thank you once again.
